Why Consider Opposing Viewpoints?  11
Introduction  14

Chapter 1: Should Governments Allow Euthanasia and Physician-Assisted Suicide?

Chapter Preface  20
1. Euthanasia Should Be Legal  23
   Howard Ball
2. Euthanasia Should Not Be Legal  32
   Bill Muehlenberg
3. Euthanasia Should Be Illegal but Tacitly Permitted  39
   Brendan O'Neill
4. Palliative Care Is a Better Option for the Terminally Ill than Euthanasia  45
   Adam J. MacLeod
5. Euthanasia: Hope You Never Need It, but Be Glad the Option Is There  51
   Philip Nitschke
6. There Is a Right to Die  56
   Peter Singer
7. Liberals Should Be Wary of Assisted Suicide  61
   E.J. Dionne

Periodical and Internet Sources Bibliography  67

Chapter 2: What Effect Does Euthanasia Have on Individuals and Society?

Chapter Preface  69
1. Euthanasia Is Merciful and Reasonable  
   *Terry Pratchett*  
   72

2. Euthanasia Is Barbarous and Immoral  
   *Rosie DiManno*  
   82

3. Euthanasia Respects Individual Autonomy  
   and Requires Deliberation  
   *Mars Cramer*  
   88

4. Euthanasia Devalues Human Life and  
   Limits Individual Freedom  
   *United States Conference of Catholic Bishops*  
   96

5. Legalizing Euthanasia Can Become  
   a Slippery Slope  
   *Sherif Emil*  
   107

6. There Is No Evidence That Legalizing Euthanasia  
   Will Lead to a Slippery Slope  
   *Dan Gardner*  
   114

7. Legalizing Euthanasia Leads to a Stronger  
   and More Compassionate Society  
   *Steve Siebold*  
   120

8. Legalizing Euthanasia Has a Negative  
   Impact on Society  
   *Tom Mortier and Steven Bieseman*  
   126

Periodical and Internet Sources Bibliography  
131

Chapter 3: What Controversies Impact  
the Euthanasia Debate?  
133

Chapter Preface  

1. Child Euthanasia Should Be Allowed  
   *Luke J. Davies*  
   135

2. Euthanasia for Children Is Wrong—As Belgium  
   Proposes New Law  
   *Charles Foster*  
   140
3. Euthanasia Should Be Allowed for Emotional Suffering
   *Mary Elizabeth Williams*

4. Euthanasia Should Not Be Allowed for Emotional Suffering
   *Tim Stanley*

5. Massachusetts Vote May Change How the Nation Dies
   *Lewis M. Cohen*

6. Physicians Should Not Play a Role in Assisted Suicide
   *Chethan Sathy*

**Periodical and Internet Sources Bibliography**

**Chapter 4: How Does the Affordable Care Act Affect the Euthanasia Debate?**

**Chapter Preface**

1. Canada Has Death Panels
   *Adam Goldenberg*

2. Death Panels Are Inevitable as Long as Health Care Is Considered a Commodity
   *James Ridgeway*

3. The Affordable Care Act Death Panels Are a Myth
   *Linda Milazzo*

4. ObamaCare Is to Euthanasia What *Roe v. Wade* Was to Abortion
   *Brian J. Kopp*

5. The Affordable Care Act Could Bring Attention to the Death with Dignity Movement
   *Roy Speckhardt*

Why Consider Opposing Viewpoints?

"The only way in which a human being can make some approach to knowing the whole of a subject is by hearing what can be said about it by persons of every variety of opinion and studying all modes in which it can be looked at by every character of mind. No wise man ever acquired his wisdom in any mode but this."

John Stuart Mill

In our media-intensive culture it is not difficult to find differing opinions. Thousands of newspapers and magazines and dozens of radio and television talk shows resound with differing points of view. The difficulty lies in deciding which opinion to agree with and which "experts" seem the most credible. The more inundated we become with differing opinions and claims, the more essential it is to hone critical reading and thinking skills to evaluate these ideas. Opposing Viewpoints books address this problem directly by presenting stimulating debates that can be used to enhance and teach these skills. The varied opinions contained in each book examine many different aspects of a single issue. While examining these conveniently edited opposing views, readers can develop critical thinking skills such as the ability to compare and contrast authors' credibility, facts, argumentation styles, use of persuasive techniques, and other stylistic tools. In short, the Opposing Viewpoints Series is an ideal way to attain the higher-level thinking and reading skills so essential in a culture of diverse and contradictory opinions.
Euthanasia

In addition to providing a tool for critical thinking, Opposing Viewpoints books challenge readers to question their own strongly held opinions and assumptions. Most people form their opinions on the basis of upbringing, peer pressure, and personal, cultural, or professional bias. By reading carefully balanced opposing views, readers must directly confront new ideas as well as the opinions of those with whom they disagree. This is not to argue simplistically that everyone who reads opposing views will—or should—change his or her opinion. Instead, the series enhances readers' understanding of their own views by encouraging confrontation with opposing ideas. Careful examination of others' views can lead to the readers' understanding of the logical inconsistencies in their own opinions, perspective on why they hold an opinion, and the consideration of the possibility that their opinion requires further evaluation.

Evaluating Other Opinions

To ensure that this type of examination occurs, Opposing Viewpoints books present all types of opinions. Prominent spokespeople on different sides of each issue as well as well-known professionals from many disciplines challenge the reader. An additional goal of the series is to provide a forum for other, less known, or even unpopular viewpoints. The opinion of an ordinary person who has had to make the decision to cut off life support from a terminally ill relative, for example, may be just as valuable and provide just as much insight as a medical ethicist's professional opinion. The editors have two additional purposes in including these less known views. One, the editors encourage readers to respect others' opinions—even when not enhanced by professional credibility. It is only by reading or listening to and objectively evaluating others' ideas that one can determine whether they are worthy of consideration. Two, the inclusion of such viewpoints encourages the important critical thinking skill of ob-
jectively evaluating an author's credentials and bias. This evaluation will illuminate an author's reasons for taking a particular stance on an issue and will aid in readers' evaluation of the author's ideas.

It is our hope that these books will give readers a deeper understanding of the issues debated and an appreciation of the complexity of even seemingly simple issues when good and honest people disagree. This awareness is particularly important in a democratic society such as ours in which people enter into public debate to determine the common good. Those with whom one disagrees should not be regarded as enemies but rather as people whose views deserve careful examination and may shed light on one's own.

Thomas Jefferson once said that "difference of opinion leads to inquiry, and inquiry to truth." Jefferson, a broadly educated man, argued that "if a nation expects to be ignorant and free . . . it expects what never was and never will be." As individuals and as a nation, it is imperative that we consider the opinions of others and examine them with skill and discernment. The Opposing Viewpoints series is intended to help readers achieve this goal.
